

Leadership Academy

Sponsorship Opportunity

Hello, Power Partners! The Central Panhandle Association of REALTORS® is seeking sponsorship for our most profound educational program, The 2021 Leadership Academy. Our Leadership Academy is an elite program designed for emerging and established REALTOR® leaders who are committed to excellence in their careers and communities.

Members are accepted through a competitive application process that prioritizes commitment to association and industry leadership and to personal and professional development. The Leadership Academy will instill in REALTORS® the confidence and motivation to become more involved in their professional and social communities. Classes engage deeply with REALTOR® leadership at the state and national associations, cultivate relationships with peers through travel around Northwest Florida, and explore opportunities to volunteer within our Bay, Jackson, Washington, Holmes, and Calhoun County communities.

Of course, all of this is possible because of our Power Partners, we appreciate all of your unwavering support for this program, as it is one of the most vital parts of our association. Your annual sponsorship provides you endless business opportunities to network and grow with the 2021 Leadership Academy.

Thank you in advance for your consideration. Please feel free to contact me with any questions.

Respectfully,

Ida Hargaray

2021 Leadership Academy Chairman

C/850.481.2438
